

Arizona Silver Belt

LOCAL NEWS.

Go to the Kandy Kitchen for your Christmas candles.

Dr. W. M. Claypool's residence and office is now in the Methodist parsonage.

Joseph Redman, one of Globe's oldest and most worthy citizens, is critically ill.

Mr. and Mrs. C. C. Griffith, of Upper Salt river, were in town this week doing their Xmas shopping.

Sam Mulligan, who a few days ago was supposed to be beyond hope of recovery, is somewhat better today.

J. H. Livingston, a former resident of this county, returned a few days ago from Prescott, where he had been residing for some time.

Alonso Bailey, of the Old Dominion Commercial company, left last Monday for Los Angeles to spend the holidays with his family.

The following are officers-elect of Pioneer Hose, No. 1: are William Rolling, president; Wm. Winters, treasurer; Harry Sultan, secretary; J. N. Starr, captain; H. H. Pratt, foreman.

E. J. Lewis, of Los Angeles, special agent for the western department of the Fire Association of Philadelphia, was in Globe this week. Edward Weed has been appointed local agent.

Rescue Lodge of Odd Fellows have posters out advertising the grand Xmas ball to be given on Christmas night at Odd Fellows hall. The messe announcement is sufficient to secure a large attendance.

Mrs. W. T. McNelly left on Monday morning's train for Los Angeles, to spend the holidays with her son Benjie, who is attending the military academy in that city. We wish them both a merry Xmas.

Several of our enterprising business men are agitating the holding of a carnival in Globe in May next, and are meeting with much encouragement. As the most prosperous mining camp in Arizona, there is no reason why we should not celebrate.

The rain on Tuesday, which it was supposed would mark the advent of rigorous weather, proved an abortive effort. There has thus far been no winter in our year, and it looks as though old Thor would have to confine himself to a more congenial climate.

Pioneer Hose has arranged to give a ball on the evening of January 12th. The popularity of its members and the further fact that it is an organization worthy of the warm support of our citizens, and especially of property owners, should insure the entertainment a grand success.

O. W. Despain, brother of Al Despain of Rye, died at McCabe, Yavapai county, on the 14th instant, of typhoid pneumonia. Deceased was the first Noble Grand of the I. O. O. F. of Jerome. Mr. Despain was familiarly known to many by the name of O. W. Hubbs.

A rumor has gained circulation to the effect that scarlet fever exists in the household of Mrs. J. H. Patton. This is a mistake, as the Patton family enjoys the best of health and, if nothing unforeseen occurs, each member will occupy accustomed seats at the festal board on Xmas.

For Sale—Kitchen stove and utensils, two cheap folding beds, new sewing machine, Western star washer and wringer, chairs, rockers, pictures, etc. Will sell everything Saturday. Call on T. D. HEYL, Agent, Depot.

Owing to the report that scarlet fever existed in several families in Globe the school trustees wisely decided on Monday to close the schools until after the holiday season. The disease is of a mild type, and an epidemic is not anticipated, although it is well to take every precaution against its spread.

Tol. Luman, brother of Mrs. J. D. Henderson, left this morning for Eddy, N. M., to spend a few months with relatives and friends. Tol. is the fortunate owner of mining claims at Troy, which are bonded to Boston capitalists, who are developing them with most encouraging results, and with every prospect of opening a big copper mine.

Adolph Jacobs returned on Tuesday from a trip to Mineral creek. He reports much activity at the Ray camp. The company is pushing development work and the construction of the narrow gauge railroad from the mines to the Gila river. The traction engine which was employed to transport the company's freight from Red Rock to the Gila river has not proved the success that was anticipated, and a railroad will undoubtedly have to be built from the Southern Pacific to the terminus of the Ray company's narrow gauge road at the Gila river. The recent fatal shooting affray seems to have had a salutary effect, as nearly all idle and dissolute characters have since left the Ray camp.
